

THE TRADITION CONTINUES

Looking for something completely different? Want more out of your car than the same old look?

Because we continue the tradition don't believe we're stuck in the 80's. We draw our inspiration from the HDT's of the past because they were always the car to beat. Today we're building cars that have that same winning edge. Check them out and drive a machine with a real difference.

GROUP II

- Based on VE 3.6L SV6 Commodore

GROUP III

- Based on VE 6.0L V8 SS Commodore

GROUP III STAGE 2

- Based on VE 6.0L V8 SSV Commodore

GROUP IV

- Based on VE 6.0L V8 SS Commodore

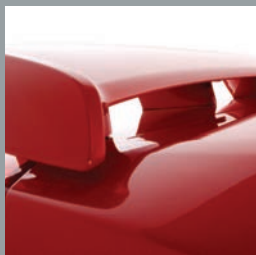

GROUP IV STAGE 2

- Based on VE 6.0L V8 SSV Commodore
